

# ACTION TAKEN REPORT OF FEEDBACK ANALYSIS OF STUDENT SATISFACTION SURVEY

ACADEMIC YEAR: 2023-24

## Stakeholders

### Students:

#### Identified Issues:

- Female students face challenges commuting from the college to the bus stand.
- Insufficient availability of subject-related books in the library.
- Students wish to prepare for competitive examinations alongside their subject studies.
- Students want exposure to job-oriented opportunities in addition to academics.

#### Actions Taken:

- Free bus services have been provided for female students to ensure safe and convenient transportation.
- The library has been updated with new subject-related books focusing on modern approaches.
- Free coaching services for competitive examinations have been arranged for interested students.
- Industrial visits were organized for students pursuing vocational and practical subjects to provide job-related exposure.

## Stakeholders

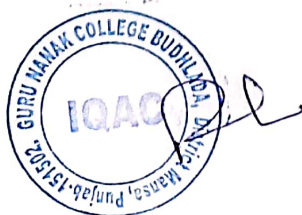

### Alumni:

#### Identified Issue:

- Alumni expressed a desire to reconnect with their old friends.

#### Action Taken:

- The college organized an Old Students Association (OSA) meet, providing alumni an opportunity to reunite and network.

## Stakeholders

### Parents:

#### Identified Issue:

- Parents are interested in tracking their children's academic progress.

#### Action Taken:

- The college conducted a Parents-Teacher Meeting (PTM) to facilitate communication regarding students' progress and address parental concerns.
