### 1. Fancy Stitches & Traditional embroidery (15-12-2020 to 17-12-2020) BY ManinderKaur

**Description:** Embroidery is an ancient form of needlework that has been used world wide to embellish textiles for decorative and communicative purposes. In terms of form and aesthetics, embroidery may add color, texture, richness, and dimension. Eye-hand coordination, color theory, design and planning skills are all developed by embroidery. These skills easily build academic skills as well by improving fine motor skills, manual dexterity and manipulative skills as well as a working understanding of art and life management skills.
